

AUTOMATIC CLIP'AIR STERILIZER

**Sterilization by
water spray
with water
> 65°C**

**Optimized water
and energy
consumption**

**Optimized
interface to
insert CLIP'AIR
600/700/800**

**Automatic start
with inductive
sensor**

Main characteristics

Cleaned product	CLIP'AIR 600T/700T/800T
Height	1297 mm
Width	326 mm
Depth	503 mm
Watertightness	IP66
Cycle duration	10s to 60s
Raw material	Stainless steel
TERMET part number	11548
